Dear Colleagues,

It is a great pleasure to invite you to the 13rd Annual Eurasian Andrology Summit, which will be organized in Nice, France, on the 2nd of February 2017, during the ESSM Congress. The Eurasian Andrology Summit organizes updated Andrology meetings every year in different countries to promote international communication from a wide geographical area on male and female sexual health and also male reproductive diseases.

The first meeting was organized in Azerbaijan in 2006 followed up by subsequent meetings in Uzbekistan, Kyrgyzstan, Russia, Ukraine, Albania, Romania, Hungary, Russia, Denmark and Spain.

The 13rd Meeting in Nice will be held in collaboration with the Turkish Society of Andrology (TSA), the Società Italiana di Andrologia (SIA), Association Interdisciplinaire post-Universitaire de Sexologie (AIUS) and Société Francophone de Médecine Sexuelle (SFMS)

We look forward to see you at this summit in Nice, a city which we will have not only scientific and geographical, but also cultural and historical sharing all together...

Yours sincerely,

Irfan Orhan
